

Orchard Grove Primary School
Family Portraits 2004

To Whom It May Concern:

The Parents' Club of Orchard Grove Primary School has been delighted with the professional expertise and creative talents of Vikki Mount on all three occasions that the school has booked Family Portraits as a Fundraising Event.

With each year bookings have steadily increased with over 40 very happy families taking part in this wonderful opportunity last year. Much of the success can be attributed to Vikki's relaxed nature and willingness to schedule a timetable according to our needs.

On behalf of Orchard Grove Primary School Parents' Club I have no hesitation in recommending Personalised Portraits to you as an excellent Fundraising event for your school or club.

Yours truly,
